

## Outdoor Holiday Display at U.S. Botanic Garden 2021

The U.S. Botanic Garden (USBG) will offer an outdoor

running from Wednesday, Nov. 24, through Sunday, Jan. 2, 2022, closed on December 25. The outdoor displays will include festive decorations, trains, ev  
outdoor gardens. As part of the festivities, G-gauge model trains will run between 10:00 a.m. and 5:00 p.m. each day in the gated outdoor gardens. All out  
and will have decorations. The Conservatory and public restrooms remain closed due to the closure of the U.S. Capitol campus buildings.

On the lawn in the gated outdoor gardens, G-gauge model trains will circulate through agricultural displays from across the United States and around the v  
parts. These farm scenes will range from orange groves, cranberry bogs, and wheat fields in the U.S. to grape vineyards in Australia, coffee farms in Ugar  
Spain, and more. Tickets are not required to view the trains or any part of the USBG's outdoor holiday display, and the train display may not run during inc

In addition to the outdoor displays, visitors will be able to view holiday displays in several Conservatory windows on the Terrace. These windows will featur  
poinsettia blooms and some of the Garden's collection of D.C. monuments and landmarks made from plant parts, such as the U.S. Capitol building and the

Throughout the Terrace Gardens and Bartholdi Park, a number of trees and shrubs will be lit with string lights, and festive evergreens and winter decoration  
gardens.

While the full outdoor holiday display will officially begin on Nov. 24, some elements of the displays will be viewable at earlier dates, as they are installed. M  
all visitors, and social distancing is suggested between visitors' groups.

The Terrace Gardens and Bartholdi Park are open dawn to dusk daily, and the gated outdoor gardens are open from 7:30 a.m. to 5:00 p.m. daily. The train  
a.m. and 5:00 p.m. each day, closed on Christmas Day, Dec. 25.

## About United States Botanic Garden

The United States Botanic Garden (USBG) is the oldest continuously operating public garden in the United States, created in 1820. The Garden informs visitors of the importance and fundamental value and diversity of plants, as well as their aesthetic, cultural, economic, therapeutic, and ecological significance. With over 100 years of experience, the USBG strives to demonstrate and promote sustainable practices. The U.S. Botanic Garden is a living plant museum accredited by the American Alliance of Botanic Gardens Conservation International. [www.usbg.gov](http://www.usbg.gov)
